

# Developing a Multiple Location Training

*This is a “must” attend workshop for all HR practitioners. Based on Dr. Wayne Payne and Stephen Krempf's book, Training from Multiple Locations, this 2-day workshop will help you develop your HR and Training System into a comprehensive organisational strategy with measurements and tracking systems for business success.*

## YOU WILL LEARN

- Gather and analyse organisation information for HR / training purpose
- Design, document and develop communication tools to disseminate your plan to the entire organisation effectively
- Budget and do curriculum mapping for organisation wide influence
- Implement maximum effectiveness and mobilise all business units to support your system
- Evaluate programme effectiveness and political effectiveness for organisational influence

## COURSE HIGHLIGHTS

1. What are We Trying to Achieve?
2. Gap Analysis
3. Phases of the System
4. Barriers to Success
5. Ensuring Organisational Survival
6. Building Organisational Capability

## DURATION

2 days
