

Thinking Outside the Box

Teach yourself and others to find innovative, new answers and make better decisions.

YOU WILL LEARN

- Develop and consider a multitude of alternative possibilities
- Commit to specific courses of action depending upon the issues
- Challenge barriers to thinking which exclude growth
- Move from an idea to solution through pulling others into the implementation

COURSE HIGHLIGHTS

1. Thinking about Thinking
2. Barriers to Thinking
3. Creating Alternatives
4. Stepping Outside the Boundaries

DURATION

2 days
